Fort Wayne, Indiana,
November 25th, 1918.

To the Hon. Board of Public Works
Fort Wayne, Indiana.

Gentlemen:-

The undersigned, property owners, owning property on North Barr Street and North LaFayette Street in the City of Fort Wayne, Allen County, Indiana, do hereby remonstrate against the closing of Kamm Street from Spy Run Avenue to North LaFayette Street, in the City of Fort Wayne, Indiana; for the following reasons:

That said Kamm Street, and a portion of same, proposed to be closed, is of great public utility and should be a highway for public use, and maintained as such.

That the closing of said Street, as proposed, would interfere with the egress and ingress of these remonstrators and other citizens of said City, to their property and to other streets and property in the City of Fort Wayne, and would destroy the public utility of other properties and other streets.

That if said Kamm Street is closed as aforesaid, hazard from fire to property in said neighborhood would be greatly increased because there would be no ^{direct} roadway or street for the fire department to approach property located in the immediate neighborhood.

Respectfully submitted.
